

Spring 2024 Session Class Information

We will be offering a final spring session of tot classes to those who are currently registered in Winter session classes. **These sessions will run until the end of May, and will all be performing in both recitals.**

Recital gives the dancers an opportunity to perform on stage, and an opportunity for parents, family and friends to watch the dancers and see all they have learned this year! These little ones are always the sweetest to watch at recital, and have been known to steal the show!

To register, please use this form - [Spring 2024 Session Class Registration](#)

This registration form can also be found within the member-only portal of our website, as it is not open to the general public.

Important dates to be aware of:

Picture Day: April 20th & 21st

Details: your dancer's class will be assigned a day and time at the studio for picture day. They will need to come in their costume & shoes, with hair done as specified with costume details. Group & solo photographs will be taken, with the option for you to purchase.

Dress Rehearsal: Tuesday, May 28th

Details: you will bring your dancer at their set time, in regular dance clothes and we will perform their dance 2 times on stage with the music and lights so they are comfortable. A parent or guardian will be required to stay while their dancer practices, and once they are done on stage they are free to go.

Recital #1: Wednesday, May 29th & Recital #2: Friday, May 31st

Details: before each recital, you will bring your dancer to the theatre, find your designated staff helper and get your child changed into their costume and shoes, ready to perform. You will then leave your dancer with their helper and head to the auditorium to watch the recital. Your dancer will perform on stage and return to the dancer-holding area. Once your dancer has performed, please leave the auditorium collect your dancer from the holding area, and take them into the theatre to watch with you (if they cannot sit on your lap, you will have to purchase a child ticket for them with your designated seats) If you choose only to buy tickets to watch 1 recital, you can stay with your dancer in the holding area, and take them home after they have performed for the recital you are not watching.

Costumes

If you register for the spring session, we will assume you are signing up to take part in the recitals as well. Along with your session fee (listed below), you will also be billed for a costume fee of around \$50.00. A detailed note with costume and hairstyle information for the recital will be given to you when your dancer's costume is handed out.
