“My favourite memory of dance is having my first class to assist with. I love teaching the little dancers and creating relationships with more of the dancers beyond my age, and watching them accomplish goals for themselves. Another favourite memory is when we went to the Plie Prep Intensive and it was my first dance trip travelling with my group which i got to know everyone more and feel apart of the group.”

I will say that overall, I’m very grateful for all the relationships and connections I’ve made throughout the years as a dancer.
